“ Renee saved my life, over and over when we were in college @ East Carolina (76-80). Later, met Renee and her Mom, Hortense, in Baltimore for a fantastic dinner. Our last time together. We stayed in touch by phone and after her health began to fail, Renee promised someone would call me if she couldn't. That call didn't come, and our birthdays and anniversary of meeting (February 4th) passed with no word. Her voice-mail was full as usual. I've hesitated to search the internet for her, knowing she had passed in my heart. Today, I felt strong enough to see once and for all. Seeing her picture warms and breaks my heart. Renee was a rare soul. A Christian and carer for others who always minimized her own needs. Glad now to know and have some closure. She was the most positive influence I've every had in my life. May she rest in peace with her Mom, Dad and others in her circle of love. — Robert

“ Renee was a wonderful friend to me for over 40 years. We had many traditions together including birthdays and Christmas celebrations. I spoke with her often several times a week. We liked to shop, eat crabs, explore restaurants and ride together. We talked about every topic under the sun. Our friendship lasted through birthdays, graduations and weddings. She was virtually my family, my sister for life and participated in all of my families important events. She lived my children and grandchildren. It is already difficult without you. I will forever miss your selfless kindness and love! ❤️

“ I am saddened to learn of the passing of another Ebenezer Baptist Church childhood friend. Renee Edwards was such a sweet young lady who always had a smile on her face. She fought a good fight. Now she is in heavy with her good friend Paulette Mitchell . May she Rest In Peace until we meet again. I know mama Hortense Edwards is awaiting her arrival with open arms.
