“ I've known Margaret since we entered 8th grade together at I.C. Norcom High School on Chestnut Street. We were in the same homeroom until we graduated in 1954. Margaret was one week older than me. I was born July 19th. We played basketball together for four years. We planned our class reunions together for 65 years. It hard to think that she is no longer with us. I miss her now and will continue to love her as my sister. May the ancestors welcome her to eternity.
