“ Our deepest sympathy to the Jones' family! Rev. Jones always had a smile and loving, kind words for me, my husband, and my daughters. As an administrator with NPS and me as a teacher, we shared many educational stories and he always gave me words of encouragements. Rev. Jones even advised me how to deal with a difficult parent who also was a teacher at LTHS. I will never forget that! I enjoyed working with him during Vacation Bible School. His favorite name for me was "Bay View"! Rev. Jones was a true man of God! Rest in Heaven Rev. Jones! You will definitely be missed!

“ *My deepest sympathy to the Jones family. What a shock to hear of Nathaniel's passing! I have so many fond memories of us as children. Our mothers were best friends and our families were extremely close --many, many activities together - church, picnics, beach, club meetings, holidays, shopping, trips, etc. When in public, Nathaniel and I would often pretend to be the child of the other's mother. I had last spoken with Nathaniel briefly in Dec 2021 and had hoped for us to visit in the near future, but God has called him home. Time and distance can be such barriers. Rest is sweet peace, Nathaniel. Love always, Mawusi Renee Simmons*

“ Uncle Nathaniel my best friend, my big brother, my father, the man who pushed me to do better. You watched me grow into the woman that I am today. No matter what your schedule was, you made sure to be at my kids birthdays, graduations, cookouts, gatherings ect. I am so broken, Who will I call when I need to cry or vent about your nieces & nephews? Whose going to calm me & tell me stories of when were little? We'd talk for hours, just laughing about our childhood. I can hear you now saying, Lil Girl don't you embarrass me at my funeral. I just keep listening to your messages.. I Thank God for allowing me the time to make you proud of my children and myself. I thank God for all you've instilled in me. You did things your way. You know had you called me, that I would've ran thru hot coals to drag you to the hospital. I know you were well prepared but my heart is so broken for you. I just don't know what to do. God was ready for you & you were ready as well. I can hear him say, Well done, you can come on in... Your Lil girl Cedrienna...

“ My heart breaks with this one. Mr. Jones was the vice president and one of our chaplains of our civic league (Madison Ward). He was such a dedicated, kind and gentle yet funny man. Please know your civic league members, neighborhood and my husband and myself will truly miss you. We will be in constant prayer for your family and so many loved ones as we all adjust to your transition and absence in this life... BUT we will see you again on the other side because we know without a doubt that our Lord and Savior has welcomed you with open arms "Well done, thy good and faithful servant"...we love you

“ This one really hits the heart. I met Nate through my Aunt, Louise Kemp. She loved him to death, and after years of knowing him, I understood why!

He was a kind, gentle, sweet spirited, God loving, big hearted man! He loved and took good care of “Aunt Lou,” as he called her. And she loved her some “Boy,” as she affectionately called him!

Thanks for being in our lives Nate! A true friend and “Man of GOD!” Rest In Peace, my friend, until we meet again. You ran your race, finished your course, and GOD has said..”Well Done!”

Kiss Aunt Lou for me, I know she was happy to see her “Boy!” You will be missed and you definitely are loved!
