This man of God truly has touched my world in a grand way. Rev. Gregory Thomas married my parents when I was only 8 (eight) years old. Shortly following my 25th birthday Rev. Gregory Thomas did the eulogy for my father. Having seeing him, his church family and awesome spirit through the years, it was an instant emotion of tears with respect for you sir. God Bless your family, member following and love ones.

The fellowship, friendship, straight talk, preaching, teaching, & I will always remember that SMILE. I'm very thankful for all the memories. To GOD be the glory. What a strong man, smart, always positive, kind, caring, respectfully to others, and a heart of gold. He love to minister to GOD'S people always lifting them up in prayer. What good times we had every time we got together making each other laugh and talking about the goodness of the LORD and always praying before we departed. Gregory love his wife, sister, sons, daughter, daughter-in-law, grandchildren, family, and friends very much. Well my brother/ friend I'm so happy for you. You have meant so much to me. What a legacy you are leaving behind. A Man Of Integrity, Peace, And All About Doing GOD'S Will. God knows best. I can hear GOD saying it is time for you to check out, and Gregory saying OK lets do this I'm ready to come home. There is many things I'm going to miss about my Brother- In- Law. But one thing I will surely miss the most. That is hearing him say Y'all Don't Hear Me. WELL I always heard you and I always will. Thanks Be To The Father, Son, And The Holy Spirit*

“ *My condolences and prayers are extended to the family during this time of bereavement. I am so honored that God allowed my path to cross his while he was here working in God's vineyard. His compassion, humility and love superseded the norm and reflected that of Jesus Christ. He eulogized my son with a short notice of request when oppositions confronted us. He also ministered to me during my bereavement and I was not a member of his church. Afterwards I knew he was sent by God. God had sent me the right man with the heart of God who understood what I needed at the right time. I can't express how much that meant to me that he knew what to say. God was speaking to him. God chose the right man at the right time to speak the right words from the mouth of God. I can remember when I spoke at his church and was waiting in the speaker's room. Rev. Thomas came in and said, "Can I get you anything?" I replied, "yes some water." All of a sudden I thought and said you are the Pastor oh no you don't have to get me any water. Rev Thomas replied, "I'm a servant first, I'll get it." He wasn't above the people but he walked with the people, just like Jesus. I can't express in words how much I appreciated him and what a jewel God gave to his wife, family, the church and the world. He will be greatly missed and will always be remembered for the spiritual legacy he lived.*

I extend my love to Gregory's family and friends as you celebrate his home going. To God be the glory for allowing Gregory to spend the time that he did teaching and loving us according to God's will. I love you and I know that without a shadow of doubt that he is alright and happy. He helped prepare us for the same trip that we must make. There will be an adjustment period for all of us because we are still human. But know that we will make it. My prayers and love is here for all of us. Gregory is resting in peace now.

“ We shall always remember how Pastor Thomas always went out of his way to recognize the women in the Gospel. His humility and love for souls my husband and I shall always remember. Gregory, the Lord didn't pick flowers he created them. And everything that God loves He keeps for Himself. Therefore, we know Jesus , kept you for Himself. We won't say Good bye, just say see you later. To the wife, children, and my classmate Deborah, God got it all in control. “ To: First Lady Thomas, The Thomas Family, and The First Baptist Church Elm Ave Church Family. Pastor Thomas was a dear friend to us. He telephoned us on Wednesday August 5. We laughed and we talked about a few things but to make a long story short, he asked us to call and check on him Saturday to see how he was doing. However, the Lord stepped in and took him home. At the hearing of his passing, we were saddened and by Saturday, we rejoiced and said, 'Our brother, today is Saturday and you couldn't be doing better. Well done, thy good and faithful servant. Well done.' May God comfort you all is our prayer. Love, Yours in Christ, Elder Russell and Evangelist Diane Bullock

Sending prayers of peace, strength, and comfort to the Thomas and First Baptist Elm Avenue Church Family. You have my deepest sympathy. Rev. Thomas was my skilled trustworthy mechanic when he worked at Firestone. He was the former Pastor of my sisters, Ethel Pittman and the late Mary Jo Blount. He came over to the house several times to have prayer with my mother, the late Dorothy Pope before surgery. He had a heart for people and he will be missed greatly!!! Cuz, we are more than sadden to hear about Gregory's passing. He never met a stranger and was always friendly to everyone. Even in his passing, he lives. He taught us how to transition peacefully -- know where you're going. He had his eyes on the prize. He made an lasting impression on my husband the first time they met and immediately had a spiritual connection. They both loved to share about the goodness of God and inspired your grandmother as she watched the two of them speak into her life. He lived the life he talked about, stayed on course for a long time, and he finished that race.

We share your loss and pray that God will sustain you and give some peace.

It is with heartfelt and deepest sympathy that we offer condolences to you on the passing of our dear friend and spiritual mentor. Gregory taught us to celebrate life and to walk by faith. His life was an epistle of Godly servitude and a reflection of God's love as he nurtured family, his flock and all those that he came in contact with. We celebrate this wonderful man of God and will cherish the times that God blessed us to spend with him. We will miss that beautiful smile and the prayer times that we shared. We pray that God will strengthen you and that the presence of His spirit will comfort you. We thank God for precious memories. "To God Be the Glory" for the gift of Pastor Gregory Thomas. May you find "peace that surpassed all understanding" in knowing that Gregory now resides with our Lord.

It is with deepest sympathy that I write these comments. Pastor Thomas was a very dear friend of the Moore and Davis families for quite some time. I never had the privilege of fellowshiping with him, however, I will always remember his kind and gentle ways and the impression he left on my grandmother and our family back at the old Firestone on Frederick Blvd. I just spoke with Pastor Thomas, or Gregory as I knew, him a couple of months ago. He and I prayed together in the parking lot of Victory Crossing Shopping Center as he rejoiced in hearing the news that I was now Pastoring, "Life of Christ" Ministries in Elizabeth City, NC. I know he will be truly missed and our prayers are with his First Lady and the entire church family during this time of bereavement! Remember, earth has no sorrow, that Heaven cannot Heal!!
