*Sitting here a whole year gone by and my face is full of tears. Sad because you're not here but happy too because I know you're at rest now. No more hurt or pain. But I'm heartbroken. Missing you daddy so very much. Continue to rest with your love Bernice and your mom, my heart Ethel. I love you all and I will meet with you again someday.*

“ My grandmother, Polly Dancy, will remember her wonderful late husband. He was a great husband and loved her a lot. Rest in Paradise.

“ Deacon Richard Dancy loved his family and singing! He loved to make a joyful noise to the Lord. Deacon Dancy will be missed, as a patriarch of the family and a respected man in his church and community. And I will miss seeing him in his suits and hats. It was a joy to know him. To the entire family, I am praying with you, that God may give you strength during this difficult time. I know what Dea. Dancy meant to each of you. May you all be knitted together and continue to love one another in order to carry out the legacy of Dea. Dancy.  
Love

“ Growing up in church being almost the youngest youth and being around Deacon Dancy and his family they became your family always, he became Papa, daughters became aunts and so on, he was big on making sure everyone sing and serve God. His testimonies went something like “he may not come when you want him but he’ll be there right in time”. He was amazing and he loved for you to sing along , even if you didn’t know the words he would guide you right then. I will never forgot you or Mother Dancy love you both. Continue to rest in God’s hand. Grandma misses you as well. Love you papa Deacon Dancy
