*Sometimes you got to pay attention what people say. I saw Ricky about a month ago and he kept on saying he had a mansion, but I just kept on licensing, but I told myself I don't know nobody that had a mansion. We were at a funeral when he said this. Then when we were at the cemetery the funeral home people was trying to talk and Ricky was taking him some flowers as the man was talking:::: Lesson learned Ricky is in his mansion, and give me my flowers while I live....*
