“ *Bob Shelton is the reason I have had a successful teaching career. He showed a brand new teacher what right looked like, and was the driving force that got us Technology Program of the Year. Enjoyed flying to Texas with him to receive our award. He is the reason I have been a TSA advisor for more than 30 yrs, have had Regional and state officers, and even National winners. Thank you to a Great man and better friend. And thank you for touching the lives of thousand of children with your patience and knowledge. MAJ Tom Bourne (Walton)*

“ Bobby was a good brother-in-law. Always ready to talk and help others.
He and my husband (Howard) would always carry on long conversations about life, football, politics and anything that came to mind. The two of them would talk for hours.
Bobby always called me “sister Cynthia “ with a big smile. I will truly miss that.

Rest In Peace

Love Always

“ I had the best father-in-law anyone could ask for, his heart was filled with joy. He enjoyed family time, football, teaching, and fried chicken.
Rest in peace! No more pain.
