“ My condolences to Bobby’s family. I met Bobby in December 1980 when he shared about the Biblical Research Ministry he attended. My life took a complete 180 degree turn that day and I have spent my entire life serving God and His people. His life impacted so many people in the same way. He would tell me “Born to Live and Born Again to Serve.”

“ To family and friends of Robert
My prayers and deepest sympathy go out to you. I am a customer at Quik Stor Storage where he was the Manager. Hearing of his passing really shocked me .He was always so nice !
