Bob and my husband Pitt were classmates at NC&AT. I met him through that friendship. Bob and I had a funny relationship. We always went toe to toe on all topics. I will miss our "battles" of the minds. May God bless your soul. Yours in Christ, Lola Pittman

My Condolences and Prayers for the Urquhart Family. Myself remember Mr. Urquhart at Mapp Jr High School 🏫 and had to see him once and never went to his office again because he instilled something in me that no one else could get my education but me. Saw him in store years ago and spoke to him and he remembered my face. He asked me what I was doing and I told him then I had been working 30 years taking care of ppl. He shook his head and said a job well done. Today I'm 59 years old and I salute to Mr. Urquhart for the prepped talk , never got in trouble again after Jr High at Mapp. Thank you again Sir a job well done ✅.

“ *Mr. Urquhart was the bully driver's education teacher at Churchland High School. One day when he was teaching me he stepped outside the car to yell at another student. I was behind the wheel and took my foot off the brake and let the car drag him for a few seconds. He did not yell at me anymore while he was teaching me how to drive. May GOD bless his family.*

Mr. Urquhart made numerous phone calls to my daddy and mother concerning my misbehavior during school hours for three years; man was he consistent! And Mrs. Urquhart taught me Black History.

“ On behalf of the Fortson Family, we extend our deepest sympathy to the Urquhart Family. We really cherish the memories from Lincolville. Bobby set his mind to be a football player. He practiced football in his backyard and when he finished you would think he had a whole team with all his footprints he left in the yard. One of Lincolville 'Greatest.' He will be well missed.
