“ *May God bless this family and friends. What a wonderful person Rex was. I enjoyed the times that I would be visiting the home of one of his close friends and he would be there also. We talked mostly about politics, with him picking my mind for the best choices for the upcoming elections. He had a big heart and would do you any favor. A proud husband, father, grandfather, and friend, he loved and talked about them all. God believed it was time to gather another angel. And when He calls, we answer! RIH Rex!! Love you!

“ To the family of Mr. Jones. As terrible as these moments could be we haven't been left alone. Yes! Our dear Creator promises us A RESURRECTION. For unbelievable it could seem, we read in the Sacred Scriptures in the book of John , chapter 5 verses 28,29 "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of live....A big hug.
