“ To the Family,
I am the co-worker of Robin at the NCSB. Robin and we would laugh and joke all the time and she had a kindred spirit that will be felt in my heart for eternity. I feel like I know the family already mom, grandma, nephew, sister because Robin spoke of you all all the time. I know and felt that you all are a close knit family and felt proud and astonished at how close you all are. Keep the glue that holds you all together and my heart goes out to you all, and Mason. I will continue to pray for you all. May GOD BLESS AND KEEP YOU.

“ To Mother Mary, Angela and family,
Words cannot express how sorry I was to hear of Robin's passing, But I know God will take us through again, just like he did the last time, and he will give us the added strength that we need to make it in the coming minutes, hours, days, months and years to come, we serve an awesome God, I can truly say from experience "I know how you feel, and we have to take one day at a time, let the tears flow and I pray that the healing can begin, and know I love you all and I am here for you as I have always been, I am continually praying for you all and Mason!!! Much Love!! Ellen Ryals

“ You are my friend! You are my family! You will forever be in my heart. I have memories that date back before we were teenagers. All of them leave me smiling at your humorous jokes and impulsive laughs. We have certain jokes that no one would understand but our "click". Thank you for being who you are and no matter what kind of mood I was in I couldn't remain upset around you. May you rest in paradise and we will look over baby Mason. We don't understand what is happening but I'm going to trust in God because I know he don't make any mistakes. Its all in his master.....I love you Robin!
