“ Duke, it's still hard to comprehend that you're gone. You offered me words of comfort when I was in desperate need of comforting, and for that I will forever be grateful to have had the honor and privilege of knowing you. You gave me my riding name, ("Teach"), and as patriarch of the "Wawa" bunch, there is going to be an unfillable void now that you are gone. I know that you are now in heaven with a new body, and I'm sure a new bike. No doubt you would say that God rides a Goldwing, but I hope you look for me when it's my time to join you. I'll be on the Harley. I'm going to miss you brother.
