“ My late husband and I met Ron and Susan after founding Martha and Mary's Kitchen in Presque Isle. They both were cheerful and valued volunteers. Ron filled in with pick up and deliveries, something not a lot of people were willing to do. He was also so helpful when it came to setting up for our special event fundraisers. He was dependable and a good friend. When I was trying to think of what "memory" to post here, it was hard to think of one, as we were all partners then... working as a team for the Lord. Well done faithful servant. Sending love to the family, Nita Moser

The picture of the four of us, and you enjoying time with Bella.
