“ *Sleep in peace Mr. Ronald.. No more pain. And although you're not here in the flesh you'll definitely be here in spirit and living through your baby boy Bubba. You guys were just alike in so many ways..And he already misses you dearly. I assured him I'd help him get through this rough time and try my best to keep him in good spirits. Thanks for everything you've ever done for me over the years. From the laughs, the rides, the talks and the meals. You are loved. So Take your rest now.. Love ya, Zenda*
