“ To the entire Wiggins Family please accept our family's heartfelt sympathy on the passing of Lil Buddy. When we lose someone we love, it seems that time stands still. What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why the person left this earth so soon, or why they left before we were ready to say good-bye, but little by little, we begin to remember not just that they died, but that they lived. And that their life gave us memories we won't forget.##imported-begin##Tonya Barnes Boneparte and Family##imported-end##
