“ Please accept my heartfelt condolences to the family. My son John and I have a lot of good memories of Roosevelt during our times at Tidewater Real Estate Investors Group and years after. He was always kind, friendly and helpful to everyone and a fine person to know. He was particularly helpful with his advice and council on our similar real estate ventures in Holly Cove. Roosevelt helped enrich the lives of those he knew and he will be missed.

“ Seashells reminds us that with the passing of every life something truly special remains: hold on to those special and fond memories and may you find comfort happiness and peace: to Aunt Peaches and the entire Newsome family; yes hearts are saddens and minds are perplex but we know that god makes no mistakes: for the Bible weeping may endure for a night but joy comes in the morning! Prayers are with you
