Rosa will truly be missed for her early morning phone calls, her love for

clothes and jewelry, her genuine love for people especially the babies in the family and let's not forget her love of the Hayden Village Senior Center where she spent her days at going on field trips and playing bingo. Thank you to all that loved our mother and we as her children would like to express our sincere appreciation for the many acts of kindness shown to us during this difficult time. May God Bless you.
