“ *My prayers are with the entire family of Sister Rosa Bullock. Robert, Lisa and Janice please know that your mother has been a blessing to many. Her infectious hopeful spirit made it joyous to be in her company. She never complained even when I visited in the hospital, she still had a smile that illuminated through the pain. I remember her singing the songs of Zion with Dorothy Butler and the other saints of Holy Light. she was such an inspiration to me when she was a student at NSU- she modeled that you are never to old to start again, or to learn again, or to love again. You will hear her voice in the life lessons she taught you, you will see her laughter when you remember her humor and you will see her face when you look in your eyes as you gaze in the mirror wondering what you will do without her. I pray peace unto you which surpasses all understanding.... Love you all
