“ Hugo, I did not know Rosalind was your mother. She and I went to Norcom together, but I hadn't seen her since. I was so shocked when I saw her obituary online. My mother told me of your loss, but I did not make the connection. I am so sorry and extend my heartfelt condolences. You know the words of the Lord, and I am certain you are meditating on them for comfort. Please express my condolences to Ms. Linda also. May God envelope you in His awesome love, cover you with His wings, and fill the massive void that only He can.###imported-begin###Andrea Singletary###imported-end###
