“ In Memory of Roxanna Coleman

A warm smile comes with each thought of aunt Roxanna. While she spent most of her career beautifying many on the outside, she touched us deeply inside. Her way to success was through education. So, she emphasized learning and encouraged good grades. If we showed her our report card, and if it was filled with A's and B's, she'd reward us with a special new HAIR-DO! DIME! QUARTER! or HALF DOLLAR! WOW! That made us feel good!

She also helped us to make the right decisions in life. And, if we needed extra help, she'd find just the right people to guide us in the proper way.

If we needed extra change (money) she had a remedy for that too... WORK. There was always sweeping and dusting duties at the beauty salon. Also, Shampooing some of the customers, or grass mowing around the shop were some of the right solutions for extra pennies in the pocket.

A visit with her was always filled with lots of laughs and fun. She loved to enjoy people and to contribute to their happiness. If someone was in need, she'd find a way to help. We remember the many times she'd play the piano at local small churches when there was a need. Often, this served families requiring special musical inspiration during the sad times of a loved one's passing.

Aunt Roxanna's life was one of service and love. Her life proved the warmth of a smile, the wisdom in work and a devotion to a life of meaning.

She is a shining light in our lives and will always remain in our hearts.

In God's Grace,

The Roy & Wyoma Gaskins Family;
