“ *To the family,
I was so saddened to hear of Mr. Roy's passing. He was my neighbor, friend and family for over 20 years. After I retired, I tried to check on him from time to time. He was really a great man and I will miss seeing him.*

“ Roy was a motorcoach operator for many many years for Newton Bus Service. He loved driving and meeting new people. My husband, Warren used to call him (as many others did also) "General Denson". This unofficial title was given to him because he wore so many pins from awards he had earned during his long career. When he left Newton's for retirement, he was missed terribly.

Roy not only was a wonderful driver but he also was an amazing cook. There were many fish fries and fried potato wedges enjoyed by all of us at Newton Bus thanks to Chef Roy.

We will cherish the many memories and send our deepest regrets to his love ones.

Sincerely

Sabina and Warren Newton
