“ If I would've known Monday would've been the last time I've seen or talk to you I would've stayed out a little longer. This one hurt my friend and I'm so lost. I have no one to send these funny videos to and no one sending them to me in return. I'm going to miss you waking me up with your craziness. I will forever cherish our friendship and times we had. Until we meet again rest peacefully my friend #dc4! ❤️
