“ My condolences go out to the Blizzard family. I remember meeting Ms. Ruby about some 11-12 years ago. The one thing that I admired about her was her courtesy and level of class. She has exemplified such class from the very first time I met her to the last. There were so many lessons the younger generations could've learned from her. May she rest in peace as what was taught lives on in her legacy. God bless.

“ Ms. Ruby sent me card about a letter I wrote her, so I took a pic of the card and added pics of the Fam. I love her and her Fam, always.

Ms Ruby and my Mother Ruth were neighbors in Mt. Herman Village. I would often see her sitting on the porch or standing in the door. I believe they were the neighborhood watch. They probably knew everything going on out there. At times I would wave or have small talk with her when I was visiting my Mother. She was always friendly and smiling. The day she moved left an empty space in my heart. Her sons really looked after her. Stanley my deepest condolences and many prayers are extended to you and your family. Mother is in a better place smiling down on you. ❤️
