“ Felicia, Alfred and Family,
Although our hearts cried for you and for ourselves, we rejoice in the joyful memories that you have of Ruby. The laughter shared as she moved within may be silent for a moment, but your smiles will beam again when you think of God's precious creation. She is and will always be our miracle gift from above that demonstrated that God hears and answers prayers. Only He knows the reasons! May God continue to hold you and protect your hearts during this time in your lives.
