Our Precious Sami was born on October 27, 2020 to her loving and devoted parents, Sammie and Karia Gladden. Unexpectedly, 'Baby Sami', as she was affectionately called, departed her earthly life on March 27, 2021 at just five months old.

Sami was a member of The Miracle Center, Portsmouth, VA under the leadership of Apostles James and Herlene Alston. Just her presence alone had such an everlasting impact on so many lives. Her captivating smile would light up a room.

“ Gladden Family,  
*First, I would like to start off by apologizing; my friends were hurting and I was completely unaware and not there for you all; but, I am here now. I know that words are a poor substitute for a loving heart, so I would like to take this time to say I care and think of you all often, and I love you guys dearly. In this trying time, God saw fit to take home a sweet little soul. Although I never got the chance to meet Sami, I can tell through the many tributes, pictures, loving post and comments that she was someone beautiful and loved without question. Her spirt, her memory and her love, will live on vicariously though everyone that loved and adored her.*

*She Will Always be Near*  
*Words cannot soften your sorrows*  
*Or lessen your sadness today, but may you find comfort and solace as time goes along its way,*  
*For the love of a wonderful mother and a delightful father, lives on in the heart through each year,*  
*And the departure of this earthly form cannot mean that you've lost her, for in your memory, she'll always be near.*  
*I love you guys and if there is anything that I can do, please let me know and I am there!*
