No day goes by without me thinking about you and the wonderful things you have done for our family. I truly hope that you are looking down on us and you can see how hard it is for us to carry on without you! With God's help we have found strength to keep going. So today dad I say I love you with all my heart and soul. I will see you again one day. Your loving son Alphonsa Oliver.

“ Praying for the family of Samuel Oliver. I knew Mr. Oliver at the Army Corps of Engineers, Norfolk District. He was always a kind and friendly person. Please know that the comfort and peace of God will help you through this difficult time.

“ Praying for the Oliver Family on the passing of their love one.

I have fond memories of Mr. Oliver during the time I worked with him during the late 70's at the Army Corps of Engineers on Front Street in Norfolk. Although we didn't work in same department I worked with his crew on weekends moving furniture. I'd play dominos with his crew during lunch time. He was always talking smack with that signature cigar in his mouth. I don't recall it ever being lit. I know he will be missed.
