“ My mother was the greatest mother and best friend. She was and is loved by everyone. She had the most incredible smile and extremely beautiful ❤️ She never met a stranger she would help anyone and everyone as much as was needed. Her death wasn't expected and still to this day I greatly miss her. She was my rock and always there for me and everyone that needed her. I take comfort in knowing she is pain free and I'm sure she is dancing in heaven with her family members and loving her time with God as he is her savior. I will miss her so much but one day I will see you again M❤️M. You are my angel, I love you so much and I will see you again when God calls me home. 💕💕
