“ *I can remember sitting around the table playing games and watching movies! We would pack up the kids and stay the whole weekend with you. I really hated it when you had to move away. We got to visit so seldom. and now it's to late to visit her. I'll miss you sis! Love ya! I'll see you one day again! I love you big brother and tell the kids, I love and miss everyone.*

“ I can think of so many.....I remember us going into the woods the first Christmas I was in the family.....we gathered pine and spruce and holly to decorate her mothers house on the outside....we also dug up two beautiful Holly trees and planted them into the front yard here in Elizabethtown.....they grew so beautiful.....also could not take Sandy visiting that in 10 minutes she was saying I'm ready to go.....lol....love you Sandy

“ Sandy Carley had the most special soul, She was my best friend lover and soul mate for the last 22 years. She is survived by her sister Judy, brothers Mike and David, Daughters Heather, Kyla, Dessiree, son Michael, son-in-law Leo and grand children Aaliyah and Aiden. She had a passion for the out doors, flower gardening and her pets, especially Buddy, She has gone to a pain free place and hopefully sharing the peace with her mom and dad. She is our Guardian Angle now.
