“ *First off I want to send my condolences and love out to everybody!! I don't know which memory to put but one of my favorites is he loved Bahama Mama Sausages he would make some of the silliest faces and noises and had us laughing so hard we would be crying. I'm really really hurting he told me he'd b around to tell me goodbye first. I'm not gonna say goodbye cause he's still with me and always will be. I LOVE U BABE ALWAYS AND 4-EVER!!!*
