

Sean Michael Smith

March 18, 1993 - March 2, 2018

Sean Smith was the first child and only son of Alice Fay Gilbert-Smith and Michael Smith. Sean was a very rambunctious child that always found a way for him and his sister Jessalynn to get into crazy situations. Like any older brother, Sean always made sure to cover for his sister when she was in trouble, even if it meant he would be in trouble. His care and compassion for others is boundless. Sean was baptized at an early age at the Deep Creek Pentecostal Holiness Church where he and his sister sang in the children's choir and served in ministry. Later Sean attended Deep Creek High School where he was a friend to all. While attending Deep Creek Sean pursued his lifelong dream of being a pilot for the U.S. Air Force by participating in the school's IROTC program. Upon graduating from Deep Creek he attended Norfolk State University where he pursued a dual major in Math and Computer Science. Desiring to break barriers, and set his own course, Sean launched his own business Smith-Brittingham Enterprises at the age of 24 in which he was currently engaged. On March 2, 2018, Sean transitioned to be with his Heavenly Father. Sean is survived by his mother Alice Gilbert, his father Michael Smith, his sister Jessalynn Smith, and extended family.

“ Sean was the most beautiful soul. If he saw you in the hallway at work he would go out of his way to say "hello" and start a conversation. He was such a gentleman who would open the door for everyone who walked through. I will always have fond memories of him and how genuine and sweet he was.

“ Sean was so sweet. So smart, so logical. He gave great advice and he was always so good at bringing us all together, no matter how much time went by. He will be greatly missed.
