“ *To my loving niece our birthday's 8 days apart never to be forgotten. My precious memory when we started school at John Marshall elementary school. Our first day we were given lunch money you got 2 nickels and I got a dime I cried because I said you got more than me. So we had to given the same coins. The second day repeated again you got the dime and I had the two nickels mom and my brother's just fell out laughing we still had not caught on that it was the same amount. Love you with a heavy heart my oldest niece. But I know you are at rest never forgotten love aunt Audrey*
