“ *To Shirleen's family, Donnell & Dearvon Peoples, we send our love and condolences to you all. Shirleen was a dear friend of mine, we laughed, talked about our children, and, sang together over the phone. We talked from her hospital bed until she could no longer speak. I will always love and miss her sending me YouTube songs for me to listen to. I will miss us going-In over the phone, I will miss us breaking bread together. but most of all I will miss her LAUGHTER in my ear. So long my dear sister, and friend. May God Comfort you, may "HE" give you strength to endure always. Much Love,*

“ *Prayers of consolation for family and friends. Shirley and I were in class each year from elementary to Jr. High school at Harry Hunt. We shared a few high school classes together also. I was glad to see that she was actively in church, and we shared many times through social media. May the peace of God surround you now.*
