To the Brothers family. Thank you for sharing Shon with me and so many others. He was a great man. My big brother from another mother. My heart is so sad right now. I thank God for just knowing Shon. Being able to learn from him as a young man in my early 20s really helped me. Shon never asked nobody for anything!! He was just a loyal friend and brother. The times we had and shared, I'll never forget the laughter. The jokes and the happy times we all had with him. I'm gonna miss him so much but I no!! I no he's with the Creator of all mankind 🙏❤️. My love , sympathy and condolences to my family. The Brothers! To Mom, and Mr Leo. Thank you for producing such a great man that made us all happy 🌹 love you to life and beyond!

“Cousin, your passing has left a HUGE void in our family as well as in the lives of all that knew and loved you. You were truly ONE OF A KIND. And though I’m really struggling with not being able to hear your voice or see your face on THIS side anymore, I know in my heart that it’s not really goodbye but I’ll see you later. I’ll look after Aunt Sheila and Kadeem as well as the rest of the family as I know you would do the same for me. I love you with all of my heart.

“Shon aka ‘Big Nose’, I’m gonna miss your Big Smile every time I saw you. You were a Light in this dark world. I just want you to know I’m gonna be here for your mom because I know she’s your Girl. I’m truly gonna miss our talks in the kitchen when I visited Emma. You were like my Big Hearted Nephew and I Love You and life won’t be the same without you but I know in my heart you’re at Peace. Rest in Paradise “Shon Rock”❤️

“Shon has been my Buddy since Chesapeake Townhouses! You did NOT mess with those he loved. He had a beautiful spirit and sooo funny! I loved him like a Brother and he was our Mechanic! Great at what he did. My Husband Douglas recently met him & liked him from then on. He was that kind of guy. I’ll miss you Shonen. Family, you are in our prayers.
