“ My Uncle Simon was one of my favorite role models and I always admired his calm and easy-going demeanor. During all of the years I have known him, I never recall seeing him angry or out of control. His body-language and facial expression gave you an ideal of his mood. He was a person you could count on to help any way he could within his means. He loved sports activities, especially baseball and he kept up with all that went on in Major League baseball. For many years he would attend the World Series baseball games. He travelled all across the country to attend those games and he acquired many baseball pennants and other memorabilia. That love of sports carried over to the Portsmouth, Virginia Department of Recreation where he served the community for over 60 years. Because of his dedicated service and commitment to the City of Portsmouth, he was recognized and presented with the Keys to the City and plaque commemorating that occasion. My uncle was truly a special person who touched the lives of many people family, friends co-workers and others. He did his best to help others and lookout for their well-being. Like all of us, my uncle was not perfect, he had his faults, he was only human.

REST IN PEACE UNCLE, Denise and will miss you and your double and triple LOVE.

Herman that was beautiful and touching. Granddaddy loved you like a son. Thank You for always being there for him. Your personality and love is the exact same as Granddaddy's. He was full of love. An example and characteristic that we should all have. I pray that God keep you and your wife under his Holy Presence...Love Ya, Tracey

“ To God be the glory! When I first met Mr. Sessoms I was a Junior/Senior in High School, I was hire by the Parks and Recreation Department to keep the scorebook for the Adult Basketball League Games and he kept the clock, I learned a lot from him, not knowing that someday I would become his supervisor in Parks and Recreation for the City of Portsmouth. He was a worth of knowledge and he taught me a lot and I am so thankful!! He worked the locker rooms for the PIT(Portsmouth Invitational Tournament) for many years, he also was may athletic person for senior games, softball and basketball(youth and adults) always on time and I know he had everything under control. He was my ace and go to like Shag Anderson those two were priceless!! I am going to miss him! May he rest in heaven and may his family be bless by God during this time of bereavement!
Respectfully Yours
