“ I used to live in the same apartment complex as Stacey. We were neighbors who became friends when both her mom and her son were in poor health. My grandson and her youngest son became friends, and had play dates. I moved away years ago, life happens, and we lost touch. For some reason, over morning coffee, I decided to find her Facebook and make contact. My page had been compromised twice, and I had to start from scratch, so we had lost contact on social media. Stacey was a good person. I am so deeply saddened to hear of her passing. Rest peacefully, my dear.
