“ My prayers and condolences 🌸 to the beautiful family of Stanley. He was a very apologetic person even when he wasn't wrong. I shared to him how I admire the input of he and his wife to raise 3 college educated men; he truly loved his family and it's a beautiful honor for his sons to provide a beautiful home going tribute. I'm certain his spirit is smiling a big smile of thanks 🙏 and gratefulness, which he never mind saying "I appreciate that." God continuous blessings flow upon each of you young men, your Dad was always so proud of you and didn't mind sharing that. A service well done : 1: 🟤!!!

“ I was blessed to be his nurse during his life. He made me laugh, enjoy everyday with him and cry. He was so grateful for everything anyone done for him. The hugs he gave me would make me cry because that was my friend. Heaven has gained such a lovely angel. I miss you so much, and I will always think of you everyday.
