“ Stanley was like a son son to me. He and Jevon spent some great time together and watching him grow to a man was indeed a great pleasure. We all grow thru life experiencing trails that help us grow. I like the fact that he would always acknowledge my son as a dear cousin.....watching them sit and chat as teenagers then fathers really warmed my heart. Seeing him 6weeks before his death made me smile immensely. I will truly miss his smile and the way he would call me Aunt Clarissa because that's the way his mother raised him. Rest baby from this trying life.

“ I cannot even begin to express how much we will all miss Baby Stanley. I will always remember all the fun times we had as kids and how much he loved us all. And no matter what he was going through and enduring he always found a way to make us laugh.

“ *Baby Stanley was always a very sweet young man with a huge smile and warm heart. He loved his family immensely and was very protective of them. So sad to hear of his passing. I will forever remember him and Javon running around laughing, joking, and just being boys. He will be truly missed. My thoughts and prayers with all his family.*

“ My heart is heavy at this time because of the loss of my dear nephew. I call him Wheet! I remember him at about a year old, he always wanted what I was eating. I called him Greedy Wheety. He would get so tickled but still wanted what I had. A few months ago, he picked me up to run an errand, he told me he had his car washed and cleaned because he knew I had allergies. He even opened and closed the door for me. We had a nice time, a good talk about his goals for his business. He offered to take me to get something to eat but I needed to get home, He said we would get together soon and if my husband (Uncle Jimmy) and I needed anything to let him know. He actually said "Auntie , hit me up, you feel me?"

“ My BabyStan, even though we are saddened and heartbroken of your passing, you will always be in our hearts as our nephew “the protector”. Even as a little boy you were always willing to help out in order to make it easier for others. So glad you came to work with us and visit for several months. You truly were a man of your word. We will miss you terribly and miss hearing your favorite words “you feel me”. You will never be forgotten. We will always love you. Uncle Dave & Auntie Sharon❤️
