“ Stanley, I still cant believe you went to be with the lord....I know you are having a blast up in heaven...PAIN FREE! GOD saw you were in trouble and decided to rescue you! Im truly going to miss the conversations we use to have....you know the ones where you would tell me how important it was to respect my elder! We used to have the best conversations about whatever crossed our mind...I didnt mind because you and I both could talk for hours....I would get sad when you left because you were so much fun to talk to! Im really gonna miss you....I cant wait to talk with you again....see you when I get there!
