Stefon my wonderful Step Son!!! I wish I could mend all the pain we feel over losing you so soon, for some reason god decided to take you home and give you your wings & leave all who love and miss you so much with heavy hearts! I came into your life many years ago and watched you grow from a boy to a man. When I met your dad and we started our life together, it was the best feeling in the world gaining 3 kids that love me unconditionally like you were my own!!! Even though I can't see your smile, hear your voice, or just hug and hold you tight, I will always have the memories of you in my heart. I know you are watching over all of us and you will always be the guardian angel over your 3 sisters and your brother! I Love You Stef!!! Love Penney
