“ I worked with Stephanie for over 25 years and we became friends as well as co workers. I considered her family. She was a good friend and often I went to her for advice. She will truly be missed. May she rest in peace. Love my Stephy. 🙏❤️

“ Aunt, I never imagined losing you. As my heart is heavy, I cherish all of the great memories we had together. Thank you for being such a wonderful aunt and like a second mom to me. When momma said no, you said yes! I will always love you. May you rest in heavenly peace with the Lord.

To my sister and my dear friend, I will miss you more you can imagine. It's going to feel funny when I come to town not being able to hangout with you on our Friday night dinner and a movie. May you rest in peace with the Lord and our other loved ones.

“ Condolences and prayers for our family. I have so many feelings/emotions going right now. We all must go, but I didn't expect our Stinky to go this soon in life. We shared so many good times. I'm thankful that it was more good than bad. We all have nicknames so as we got older the weekends were Stinky, Pooh and Dee. I'll miss you my cousin, sister and friend. Take your rest.
