“ I want to express my deepest sympathy. I know that there are no words that can fill your voids, but know that God can ease your pain. Thank you Nukie for sowing the seeds of life into my very own life. You encouraged us to do and be something even as little children, and for that I am very grateful. Your work was not in vain. Your spirit shall live on through all of us forever and always. Love ya!##imported-begin##Tangela Randall##imported-end##
