“ *Sincere condolences to The Manning Family He will be missed when the other kids come to the car to get goodies ! His smile and his telling what he did in school & at home! He kept a smile on his face with bad or good news! When he knew he did his best that's all you could ask of any child! He loved going to church especially vacation Bible School! You won't get picked up by a car this year to go for you are where we are striving to go! You were one of the few chosen by the Lord! Keep that smile for you are with your Heavenly Father & we thank Him for the time He lent you to your Mother, Siblings, Aunts, Cousins , Friends & other Family members. Tamarin.....RIH Aunt Barb*

“ My prayers and thoughts go out to the family. I am a teacher at Douglass Park and Tamario and I shared a very special connection. He loved to help me in the classroom, run errands, etc. and I saw that giving him responsibility helped him perform better academically. When he was having difficulties in other classes, he would always come to my class and we would talk about ways that he could better cope with what was bothering him. I saw something in him and believed in him even when he doubted himself. I am crushed that his life was cut short. I wish I could tell him how much I learned from him as his teacher in several grades just as I hope he learned from me. He was a wonderful young man with a contagious smile that would melt my heart. I will NEVER forget you Tamario! I love you buddy and I will miss you. You will ALWAYS be in my heart.
