“ I first want to say that I miss you Tami so very much. We shared so many memories that all I can say is the one that I shared that I truly miss is your Bible Studies that I looked so forward to on a weekly basis. I learned so very much spiritually from you Tami and if it had not been for you I don't know where I would be spiritually today. You showed me how much God loves me and for that I am eternally grateful. I have never meant a more Godly woman than you. You were so very unique in so many ways, I truly admired you and was so grateful that God put you in my life and that I got the honor of being your sister for the time that we had together. You taught me so much. I love you with all my Heart and Soul. Missing you terribly!!!

“ Donnie and Tamyra,

I didn't really know your mother, Tami, very well, but one thing I do remember is that she was like radiant sunshine! Every time I visited UFGRC Suffolk with my daughter Lisa & her family, she would greet me with the biggest smile, a big hug & a kiss. She always made me feel like a special guest!. Her genuine, caring spirit radiated in her smile. She will surely be missed!! I'm praying that the peace of God that surpasses all understanding will carry you through these trying days, weeks and months. I wish I could tell you time heals all wounds but the truth is, only God can do that. The memories you have of her will bring you great comfort when family and friends have gone home and you're feeling her loss. Our hearts go out to you and your extended family.

*God bless you,
Willie & Peggy Stevens and family*

“ Rick Gilmore,

Only a few people wil ever know how much Tami meant to me, she may be my cousin, but she will always be more of a Aunt/mother to me, she has always been one of the hardest working, nicest people I have ever known, she would do anything for anyone, especially if they needed a place to live, or anything. I have learned so much from her and forever have a special place in my heart.

“ My loving sister Tami, I am so lost without you. You have been by far the best friend I have ever had in my life. We started out as friends and quickly became family. I would always get so excited each and everytime I was in your presence. You have taught me so very much. You have given me what no other has, and that would be that you showed me truly how to love God the way that we should love him. You showered us all with your strong and unconditional love that you have for our father. There simply are no words to describe how truly unique a person that you are. I cannot even put into words how much I will miss you. I love you with all my heart and soul.

Your Sister

Tami I am so lost without you. I know that you are still with us in spirit, however your mere presence has be so missed. The void I am feeling and have been since you departed this life is unexplainable, there is no one who can take your place in who you were to all of us here on earth. I love you so very much with all my heart and soul.
