“ Hey Anthony, I was just thinking about all the conversations we have shared with one another while we were in our separate offices. I must admit, you made the time fly by with all your questions and your goofy loud laugh. I will miss your problem solving techniques and solutions. You are truly missed! Tell Mama and Grandma I said, "hi and I feel that all of y'all left too soon." I will miss you"Lil Brother"

“ Still surprised that you are gone. I wish we could've talked more, but I didn't think that we were in a crunch for time. That's how it goes when God calls his Angels. You have done your job spreading love and cheer, and now the Lord has called you near. I look at your pictures and smile to myself, then the tears start flowing thinking of memories heartfelt. You were a good person, and that's why we are sad you're gone. Angels must fly though, they can't stay on Earth too long. We will hold the memories of you close, and thank God for the times shared. And knowing that you are safe in heaven, is a joyous answered prayer. Tell Felicia and Grandma I love them, and often think of them. Knowing the three of you are together, makes a sad time seem less dim. You are someone that meant so much, and everyone will miss. Just happy that God has covered you, in all of heaven's bliss. - I love you Anthony(Terry)! -by: Rebekah(Crystal)

“ Set your heart on things above, where Christ is seated at the right hand of God. Set your mind on things above, not on earthly things. You died and your life is now hidden with Christ in God. When Christ who is your life appears then you also will appear with him in Glory. We love you but God loves you more. your Family Uncle Lamont

“ Even though you are gone away,
Your love will always be here to stay.
You touched our hearts with so many things.

God knew you were the one to save,
He took you home to get some rest,
Even though we loved you best.

Our hearts are filled with so much pain,
God loved you more, there was no shame.

At this time we must let go.
Your memories we will keep a flow.
Rest our dear cousin with peace of mind,
Your memories will live on through.

We love you always and forever until we meet again,

Joy & JeNise
