“ Even as we mourn, we can remember the good times, and celebrate a life so beautiful. Terry was a student in my very first class many years ago. Our relationship went from teacher/student to dear friends over time. Our calls were shared and she never missed calling to wish me a happy birthday. I will miss that call on Sunday. She was a beautiful person and loyal to her friends and loving family. She will be missed by all who knew her.

My thoughts and prayers are extended to the family during this difficult time. I honor the wonderful life of Terry. I will miss her dearly.

“ Terry was a lovely person with a beautiful smile. When she attended church you could see her clapping her hands enjoying the choir. I can remember her giving the Welcome Address years ago for Women's Day, she spoke so elegantly, that some were surprised. Deacon Hyman and siblings you all did an excellent job taking care of Terry, so much love was shared with her and to each other. I'm praying for comfort, strength and peace for each of you doing this difficult time. I love each of you. Rest In Peace Terry.

“ Praying for the family as each of you adjust to the earthly transition of Terry. Having watched the exchange of love between each of you for one another and especially Terry taught so many lessons to me and many others. Your faith, love, and the many prayers of friends like me will bring you through.
