“ *I'm just devastated by hearing of Terrys passing. We worked together for many years. I considered her my other mother. She was always there for me when I needed her and vice versa. She was a strong spirit, loving mother and just the best of friends you could have. You made me laugh, you cared so much you just had love for everyone and I'll never forget you. I wish we could of spent more time together but it was your time. Now youve gained your wings and I hope your watching over me and I hope I feel your spirit and never forget all the things you did for me. I love you always and forever!! Love Annie Rood*

*She always spoke of how special you were to her and I know if she would have had more time to spend with you; she would also have loved that!*

*I still am in shock over hearing this. Goodbye to my sister-in-law. Even though we were both horrible about keeping in close touch with each other over the years, I am going to miss the times we did see each other. My best memories are of when you lived in the Heights and Dale and I would see you and Judd so often, the soup suppers, the hanging out and just being together. I love you and am going to miss your gentle presence. Godspeed.*
