“ To my beautiful niece Thea. You will always hold a special place in my heart. We were close at childhood through adolescence and now through eternity. You are a queen with an infectious smile who possessed a no nonsense direct way of telling it like it is no matter who was at the other end, this was just like your daddy. My tears are flowing and I know you would say stop that Unc. You will always live on in my heart, you made a difference in this world and my children will know about you, you go beyond this day and time and I will always love you. No love dying here!

“ May the family continue to find comfort in knowing that God is still with them during this time. Hold on to the memories that You have of Thea. To the Grand Children and Great Grand Children you know how much Thea loved each of you and how much she wanted each of you to make something out of your life... I have known and worked with Thea at church for many years and she was always the same whenever we were together. She is now resting in that mansion that God prepared for her many years ago. I've known Thea many years through our membership and working together with Truxton Chapter 63, Order of the Eastern Star. Thea was a wonderful person that dearly loved her family. May God continue to give you comfort during your bereavement. May your wonderful memories continue to give you strength and comfort. Evelyn B. Smith

“ While I will miss checking on you when traveling anywhere near the Chesapeake area, I can rest in knowing that you believed your healing and care was all in God's hands and without a doubt, you loved Him, you served Him through church and community, you were faithful to Him, and he loved you more and gave you rest next to Him! I will miss you Thea but know that the ones you leave here to cherish your memories and believe in God, the way you did, will one day get to see you again. Rest well...Well Done Sis!

“ Thea, you truly will be missed, but never forgotten. You had a kind heart, beautiful spirit and you're a Woman of God; an awesome aunt to my grand baby.

You fought a good fight, and you kept the faith, God has spoken, you have your Crown.

Family, God will give each of you strength to endure. I love you all.
