

Thelma Carter

January 1, 1923 - July 3, 2011

Thelma Rebecca Cherry was born on January 1, 1923 in Brooklyn, NY and deceased on Sunday, July 3, 2011.

She Graduated from Girls High School with a secretary diploma. After marriage she went to Cosmetology school. She also worked as NYS Toll collector and worked as a secretary at the Brooklyn Navy yard.

She married William Gray Jefferson (deceased) and from that union she has five daughters: Thelma Louise Jefferson, Jacqueline Juanita Lane, Patricia Arnetta Smith, Barbara Loretta White, and Jodi Jane Striblin.

In late years she married Julius Carter, who is also deceased.

She leaves behind her aunt, Lois Taylor, her cousin Doris Wildy and her husband, former Judge Louis Wildy.

She also leaves behind a host of Grandchildren and Great-grandchildren, Cousins, In-laws and many, many friends. Her last wish was to be cremated without any fuss. She was a very caring woman who would give her last dime to those that needed it. She also was an animal lover and loved her Seeing Eye companion, Toby. Her passion in later years was making jewelry and giving them away to friends and family, even though she did not have sight. She will be sorely missed by one and all.
