“ *Our deepest condolences to Tracy Salley and her family. May you cherish the memory of your Mom deeply in your heart and smile when you think of some of the funny things she's said and shake your head at the things that she did to make you laugh and cry. Those memories are something that no one can ever take away or replace. May God continue to watch over each one of you and keep his loving arms around you.*

“ Jessica, Maurine, Paul, Tracy, and Katina - your mother was the salt of the earth. I cannot thank you all enough for sharing her with me. She was there to comfort me the night I lost my mother and was there all those years I needed a mother figure to help me get through just growing up. I pray that God will bring you comfort during this time of loss. Your mother did a lot of good in this world and I know that God has welcomed her home.
