“ Chi Chi, My precious cousin I do share your pain as I too have set in your space your Dad and my Dad both had the ability to impact lives. Uncle Theodore had the skill set to make you want to accomplish something. I am thankful for his love and support. You could always count on him. “ *To the Thomas Family,
As you have lost an endearing family member, we have lost a good friend. Ted was always a happy person, always in a good mood. He always brought joy to people in his surrounding. After we retired, I didn't get to see him much but I would think of him often and now I will really miss him. My heart and prayers go out to the family and all the friends that are suffering this great loss. Peace be with you all. B. Lamb*
